

WAY WE WORK

UNO Management Services Pty Ltd understands our success depends on our reputation with our stakeholders. Our success will be achieved by the values we choose to manage the economic, social and environmental effects of our business. Our values include:

- Developing and implementing open and honest communication lines with our Team Members, Clients, Community members and Suppliers.
- Conducting our business activities in a responsible, accountable, and transparent manner, with high levels of corporate governance, reflecting the interests of our Team Members, Clients, Communities and Suppliers.
- Creating innovative and sustainable solutions to problems for our Clients, Communities and other interested stakeholders.
- Conducting our business safely, responsibly and efficiently by taking a disciplined and integrated approach to the economic, social and environmental aspects of all our activities.
- Conducting our business activities safely as we strive towards our goal of zero injuries.
- Interacting constructively with members of: Communities; Governments; non-government organisations; public sector and private sector.
- Preventing, where possible, or otherwise minimising, mitigating and remediating, harmful effects of our business activities on the environment.
- Implementing a training and development program for Team Members to raise awareness of our values and enlist their support in implementing our values.
